What is PAACT?

- ❖ An educational program for **primary care providers** about the optimal management of common conditions.
- ❖ Programs meet the accreditation criteria of the College of Family Physicians of Canada for **MAINPRO-C** credits.
- ❖ A program that primarily consists of **case-based, small group learning modules**:

Anti-Infective Program

- (4 MAINPRO C Credits)
- **Half-Day Program**
- **Respiratory Tract Infections**
 - pharyngitis,
 - sinusitis
 - otitis media
 - bronchitis
- **Urinary Tract Infections**

Anemia Program

- (4 MAINPRO C Credits)
- **Microcytic, Normocytic, Macrocytic**
- **Half-Day Program**

Enrolment is Limited!

Program Committee &/or Facilitators

Tessa Laubscher MB ChB CCFP FCFP (Saskatoon, SK) - both
Yvonne Shevchuk, PharmD (Saskatoon, SK) - antiinfective
Marianne Gulka BSP (Saskatoon, SK) - anemia
Loren Regier BSP, BA (Saskatoon, SK)

"PAACT-Anti-infective Program...provides an example of how appropriate antimicrobial use can be optimized at the community level. It is a sterling demonstration of how creative partnerships, community-based awareness, and local physician leadership can provide the impetus for change."

John Conby, MD (Can Fam Phys, Sept. 1998)
