REVIEWERS

The RxFiles Drug Comparison Charts have been published since 2000. Over the years, we have been fortunate to receive reviews, feedback, and writing help from a long list of contributors including physicians, pharmacists, nurse practitioners, nurses, podiatrists, biochemists, and physiotherapists. **A huge THANK YOU to everyone who has helped. A list of reviewers and contributors specific to this 14th edition is found below; your expertise has been invaluable.**
